11th September, 2016

If you are new or visiting Adelaide West Uniting Church we are pleased you are here. A Welcome to Adelaide West information sheet is available in the foyer or from the stewards.

This is week three of the Care series. Today we'll be looking at the questions, 'what does a mature Christian look like'? What characteristics and behaviours would they have? And what would this mean for the way we care as individuals for people who are not like us? As Christians we have a clear call to go to all peoples, not just the ones who are like us.

We will look at two short parables: the parable of the lost sheep and the parable of the lost coin. Enormous effort is spent looking for what is lost and when they are found there is a huge celebration. Today I'll ask if righteous people can be lost and what does being found mean.
