3Bs – belonging, believing & blessing others

In last Sunday's morning services we considered 'Love Unpacked' and heard the words of 1 Corinthians 13 - words from a 2,000 year old letter that still

resonate with us today, and challenge and inspire us in our everyday living, in our families, in our workplaces, and in our church. How do we show our love by being patient and kind? Does this show in our church meetings, in the way we speak with each other, and perhaps more importantly, how we speak about each other? Do we truly honour each other?

Belonging, believing and blessing others is how we express our love and is a blueprint for us in our church, in our connect groups, in all our groups and ministries, and also individually as we belong to Christ, believe in Christ and bless others through Christ. We belong by being part of community and in our welcome; believe by being in worship, prayer, as we study the Bible and ask questions about life and faith; and we bless others around us in our community and in our world. And in all this love is patient and kind – today, tomorrow and next week – always!
