Being God's family ...

It was such a privilege to travel with the Men's Choir to Pt Augusta before Easter. It was a wonderful opportunity to connect with members and supporters of the Men's Choir and to see their missional connection and serving. We shared together with the Congress church as they hosted us for a beautiful dinner, sharing and singing (and a birthday two people will not forget!). The Men's Choir led the Sunday morning service and joined with local choirs for a grand concert in the afternoon.

Our visit was a lift to both the Congress church and Pt Augusta UC after a difficult week for the town of Pt Augusta. Our churches in rural and regional centres often feel disconnected and isolated from the rest of the church and when we visit in their location, we communicate that they are cared for and valued. And in return, we are blessed by them, by their hospitality, endurance, faith and their love. It causes me to wonder - I wonder how we can continue to support them, what we can learn from each other, and what a partnership could look like?

As God invites us and welcomes us – so we invite and welcome others into our story and we experience the joy of being God's family together.

Blessings, Lynne Aird
