## Hope in our great God - amidst change, amidst all circumstances, at all times ...

"What oxygen is to the lungs, such is hope to the meaning of life." Emil Brunner.

Hope is a feeling of trust or expectation. We all need hope in our lives, in our workplaces, communities, schools and in our church. Hope is part of our living and it feeds the meaning of life. Without hope we cease to truly live and life seems meaningless. What do you hope for and where is your hope found? What do we hope for together and where do we find our hope together?

We find the word 'hope' throughout the Scriptures – 180 times in the NIV translation! In the Psalms we read that we are to put our hope in the Lord, to hope in the Lord's unfailing love, to wait in hope for the Lord, to hope in the Lord's name, to always hope, to put our hope in the Lord's word and we are reminded that our hope is in the Lord and our hope comes from the Lord.

I love the verse: Be joyful in hope, patient in affliction, faithful in prayer (Rom 12:12). It is a reminder to be a person of hope, patience and prayer, every day, in all circumstances, amongst all the clutter and stuff in my life. Be encouraged, be strong and take heart – our hope is in God!

**Blessings, Lynne**

9.15am service – Kees & Wendy 0416 708 954

11am service – Dorothy 0434 891 558

5pm service – Simon 0431 400 700

## Reminder—Concert Cancellation

Regrettably, the Men's Choir Concert planned for 4 August has been cancelled due to Meredith's ill health, coupled with Sue Beard's broken ankle. The money raised from this concert was intended to support the Noarlunga UC in their provision of hampers and Christmas lunch as a ministry of outreach in the community. It would be lovely if we could still support this most worthy cause to around \$1,000 - the amount the concert would have raised. If you would like to donate to the Christmas outreach of Noarlunga UC, please put your donation in an envelope marked Noarlunga UC in the offering, or as a retiring offering in the bowl at the back of the church, or to the AWUC office. In this way, we would honour our commitment to the Noarlunga UC's outreach in an area of significant need,

## Thank you to Trevor Story
