

# BLESSINGS & WARNINGS

Luke 6:17-26

- **Core values, basic guidelines** – 4 things to remember to do, 4 things to remember not to do
- **God's heart** is for the poor, the hungry, the sad, the hated (& those society overlooks)
- **Don't get caught up** – in things & money, ignoring the poor & hungry, seeking popularity
- Are we giving financially & time wise to **make poverty history?**
- **Ministry of Jesus** was always towards those on the outer
- **Our challenge** is to be intentionally inclusive – practice belonging for all
- **Walk on the beach, not on the footpath** – experience the sand, hear the waves, smell the sea; don't look on, experience the words of Jesus, walk in the way of love by taking care of the poor, feeding the hungry, comforting the sad & welcoming the stranger

## Blessed.

are the poor,  
the hungry,  
those who weep,  
the hated, excluded, rejected, marginalised.
