

BEING ONE

John 17:20-26

Prayer of Jesus

- We glimpse the intimacy between the Father & Jesus
- Jesus is in the Father & the Father is in Jesus
- Jesus is in us & we are in God
- We know the love of God because Christ is in us (v.23)
- Whatever the future is – Christ is in us (v.26)

Unity

- Unity so that the world may believe Jesus
- Unity shows the love of God for the world
- Unity & witness are inseparable
- No 'us & them' (dualism)

The church is the visible evidence that a better world is possible ...

Invitation to pray every day:

- for Adelaide West UC
- that we may be one
