

Luke 8:22, 26-36

*'Let us go over to the other side of the lake.'* **Luke 8:22b**

### **The other side**

- Decapolis region – enemy territory
- One man – rejected & separated from his community
- Jesus takes authority over oppressive power
- Man is made whole
- 'Return home & tell how much God has done for you'
- We can be caught up in outside pressures & bogged down
- Jesus makes us whole

### **New ways, new community**

- Neither Jew, nor Gentile, slave nor free, male nor female > you are all one in Christ Jesus
- Early church cared for the sick
- Good news beyond Sunday church

*Where is the **other side** for you?*

*Where is the **other side** God is calling you to?*

*In our connect groups, where is the **other side** to bless others together?*

*Where is the **other side** for us as a church?*
