

BY FAITH ...

Hebrews 11:1-16

Faith = confidence in hope + assurance of unseen

The Message *The fundamental fact of existence is that this trust in God, this faith, is the firm foundation under everything that makes life worth living. It's our handle on what we can't see. The act of faith is what distinguished our ancestors, set them above the crowd. By faith, we see the world called into existence by God's word, what we see created by what we don't see. (Heb 11:1-3)*

Faith is looking at
God & trusting
God for all

Hope is looking at
the future &
trusting God for it

Faith is stepping out, leaning forward & trusting that God goes before us. We walk by faith & hope, believing the work we do, the kindness we share & the care we offer makes a difference.

Now faith is
confidence in what we
hope for and
assurance about what
we do not see.
